Appointment of Development Commissioner Drugs

1937. SHRIMATI RATAN KUMARI: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether it is a fact that under provision 70.2 of Drug Policy 1978, a field organisation was to be set up under Development Commissioner, Drugs to operate scheme of pricing, monitor shortages, recommend release and import of bulk drugs;

(b) whether it is a fact that since the last two and half years, no separate Development Commissioner, has been appointed and Joint Secretary in his Ministry is holding the charge and discharging the functions of Development Commissioner in addition to his own duties;

(c) whether it is also a fact that no gainful functions approved for the field organisation are being done; and

(d) what are the reasons for not. appointing an independent Development Commissioner as provided foe and by when it wil be done?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI VASANT SATHE): (a) Yes, Sir.

(b) to (d) To ensure better coordination and expeditious disposal of work, it has been decided that the Joint Secretary (Drugs) should also look after the functions and duties of the Development Commissioner (Drugs), for the present. All the functions, which were being looked' after by the Development Commissioner, including operation of Scheme of Pricing, Monitoring shortages, recommending release and import of bulk drugs etc. are being duly and effectively discharged. The present arrangement is working smoothly and' as part of normal administrative procedure the situation is periodically reviewed and required changes are affected as are found necessary in the interest of work.
